

SWAP SHOP POLICY FOR 2024 SEASON

OPERATING HOURS: Tuesday – Saturday 9:00 A.M. - 2:00 P.M.

The swap shop is a part of the diversion practices that MCSWC supports. We accept items in good working order, not broken, something you would give a neighbor or a friend!

NO ITEMS MAY BE LEFT AT THE SWAP SHOP AFTER HOURS!

Mid-Coast Solid Waste is a Pay-As-You-Throw facility and because not all items left at the swap shop find a new home, we instituted a minimal fee scale for dropping off items at the Swap Shop to defer costs of final action if placed in the waste stream.

CHARGES:

\$1.00 Minimum charge fee for a single item is in effect for donations to Swap Shop (part of the \$1.00 minimum charge for an item brought to facility)

\$1.00 PER BOX or BAG of miscellaneous items brought to facility (three boxes misc. items = \$3.00)
