### **30 Day Notice - Tip Fee Increase for MCSWC Landfill Construction and Demolition Debris**

Mid-Coast Solid Waste Corporation, serving the towns of Camden, Hope, Lincolnville and Rockport, gives notice of a tip fee increase effective September 13, 2022. The MCSWC Board of Directors proposed the fee increase on July 27, 2022 and voted the change in an effort to maintain and support the operations of the landfill. This fee applies to all material designated for disposal in the landfill. The tip fee for the landfill will increase on September 13, 2022 from \$140 per ton to \$200 per ton. For further information contact the MCSWC office.
